**SUBJECT: - DEDUCTION OF WITHHOLDING TAX ON THE AMOUNT OF DIVIDEND**

Dear Sir,

With reference to the provision of Finance Act, 2020 relating to the rate of deduction of Income Tax u/s 150 of the Income Tax Ordinance, 2001 for the dividend, which rate has been revised as 15.00% for Filler of Income Tax Return and 30.00% for Non-Filers.

The FBR has clarified that where the shares are held in joint names, each account/joint holder will be treated individually as either a filler of a non-filler and tax will be deducted according to his/her shareholding. The shareholders, who are having joint shareholding status, we being the joint account holder of shares of your Company provide the relevant details for the purpose of deduction of Income Tax under the said section for kind consideration and necessary action.

<b>Folio/CDC A/c No.</b>	<b>Name of Principal Shareholders/joint holders</b>	<b>Shareholding Proportion</b>	<b>CNIC No. (Copy Attached)</b>	<b>Signature</b>

It is requested to kindly note the above, while deducting the income tax out of the dividend amount on my Shareholding with the Company@ 15% because I am Income Tax Return Filler and my name also appeared in "ATL" list issued by the FBR.

Thanking You,

Yours Sincerely,
